## ada collection

Ada is a feminine given name. One of its meanings suggests *adornment*. Ada collection is inspired in mid-century design, with a contemporary twist focused on details. The soft lines are enhanced with volume layers that invite touch and offer extra comfort.

Ada é um nome feminino, um dos seus significados sugere *adorno*. A coleção Ada é inspirada no design de meados do século passado, com um twist contemporâneo focado essencialmente nos detalhes. As linhas suaves são realçadas com camadas de volume que convidam ao toque e oferecem conforto extra.

## egur collection

BY AITOR GARCIA VICUÑA

The Egur collection is inspired on Aitor's childhood gentle memories, memories from his home, between wood and leather. Emotions from Portugal, where the ultimate technology lives together with old artisan professions. Egur's meaning on his ancestors language is... wood.

## essex collection

BY JAVIER GOMEZ

The main focus of Javier Gomez was to create an elegant collection with an artistic appeal, inspiring himself in the architecture of New York city buildings. A collection designed to fit in any sophisticated environment. He wanted to achieve an elegant simplicity, on his designs and he made it by creating this modern collection.

## goa collection

BY FRANCESC RIFÉ STUDIO

Following the studio's philosophy, not only in industrial design but also in interior design, this new collaboration born with the intention of creating a lasting collection, warm in its composition and form. Compatible for both home and contract, its duality is defined through wooden bodies and comfortable and enveloping textures.

## **hugs collection**

BY ANDRÉ TEOMAN

The search for touch, for a hug, the feeling of protection was the emotional purpose behind the development of this piece. Without exaggerations or kitch references to the moment of affection, Hugs collection keeps its class while embraces its user. This collection will bring warmth and comfort to any interior design project focused on creating an atmosphere that welcomes and embraces any visitor.

## trenó collection

BY ANA COEUR

This collection shape is strongly inspired on Santa Claus sly and the magical time that is Christmas. Straight from the story books, this statement furniture collection brings to the room a feeling of childlike wonder, nostalgia and winter adventure.

Fluffy and comfortable, resting in Treno allows one to imagine the feeling of flying through the sky at Christmas time.
