ALISA

Alisa combines visual lightness and functionality in a clean, ergonomic design. Ideal for minimalist and relaxed spaces, it expresses the language of design with clarity, balance, and elegance.

LIGNE

Lightweight, elegant, with clean lines and balanced proportions. Strongly inspired by scandinavian design, this chair celebrates the nobility of wood with an exposed structure that highlights its joints and pure lines.

SUNN

Nordic elegance and ergonomic comfort. With rounded backrest and seat, this chair conveys softness and warmth. Its wooden structure integrates naturally into minimalist and organic interiors.

SUNA

Inspired by the dialogue between tradition and modernity, Suna's versatile design combines a solid wooden frame with an upholstered seat, naturally blending functionality with sculptural presence.

**O
R
A**

Graphic character with a retro soul. Featuring a curved backrest and round seat, Ora balances dynamism and comfort. Its clean, vibrant design brings a fresh and contemporary touch to any space.

VIENA

Viena balances heritage and contemporaneity with a timeless design. Its cane backrest adds visual lightness, while the upholstered seat brings warmth and comfort. Natural essence with a crafted soul.

ARCO

Sculptural character, bold presence, and enveloping design. Arco plays with striking volumes, blending graphic appeal with functionality, without sacrificing an ounce of comfort.

NEIL

Neil blends retro nostalgia and contemporary freshness with its semicircular silhouette and embracing backrest. With bold lines and magnetic presence, it's a lounge chair made to stand out unapologetically.

TAC

2358 - 08

2358 - 06

Fully upholstered, the shell becomes a continuous, softer surface—both to the touch and to the eye. Available with sled base or cylindrical legs, ideal for settings where comfort is a priority without compromising on style.

TIC

The unupholstered version is the lightest and most durable. Its polypropylene shell is easy to clean and highlights the design's continuous silhouette. The variety of bases makes it perfect for high-traffic environments.

TOC

A balanced solution: plastic shell with upholstered seat. Maintains visual lightness while highlighting the contrast between materials and textures. Also available with sled base or cylindrical legs.

N O R D

With soft lines and compact proportions, Nord prioritizes comfort without compromising on style. The warmth of wood and the comfort of its upholstered seat make it a perfect ally for serene spaces.

HAGU

With a continuous metal frame and wraparound seat, it stands out for its fluid silhouette and sophisticated presence. A characterful piece, ideal for contemporary spaces that value design.

BARU

Sculptural volume with a crafted soul. Organic shapes and a light structure contrast with its generous silhouette, creating a sophisticated piece with character and a subtle vintage touch.

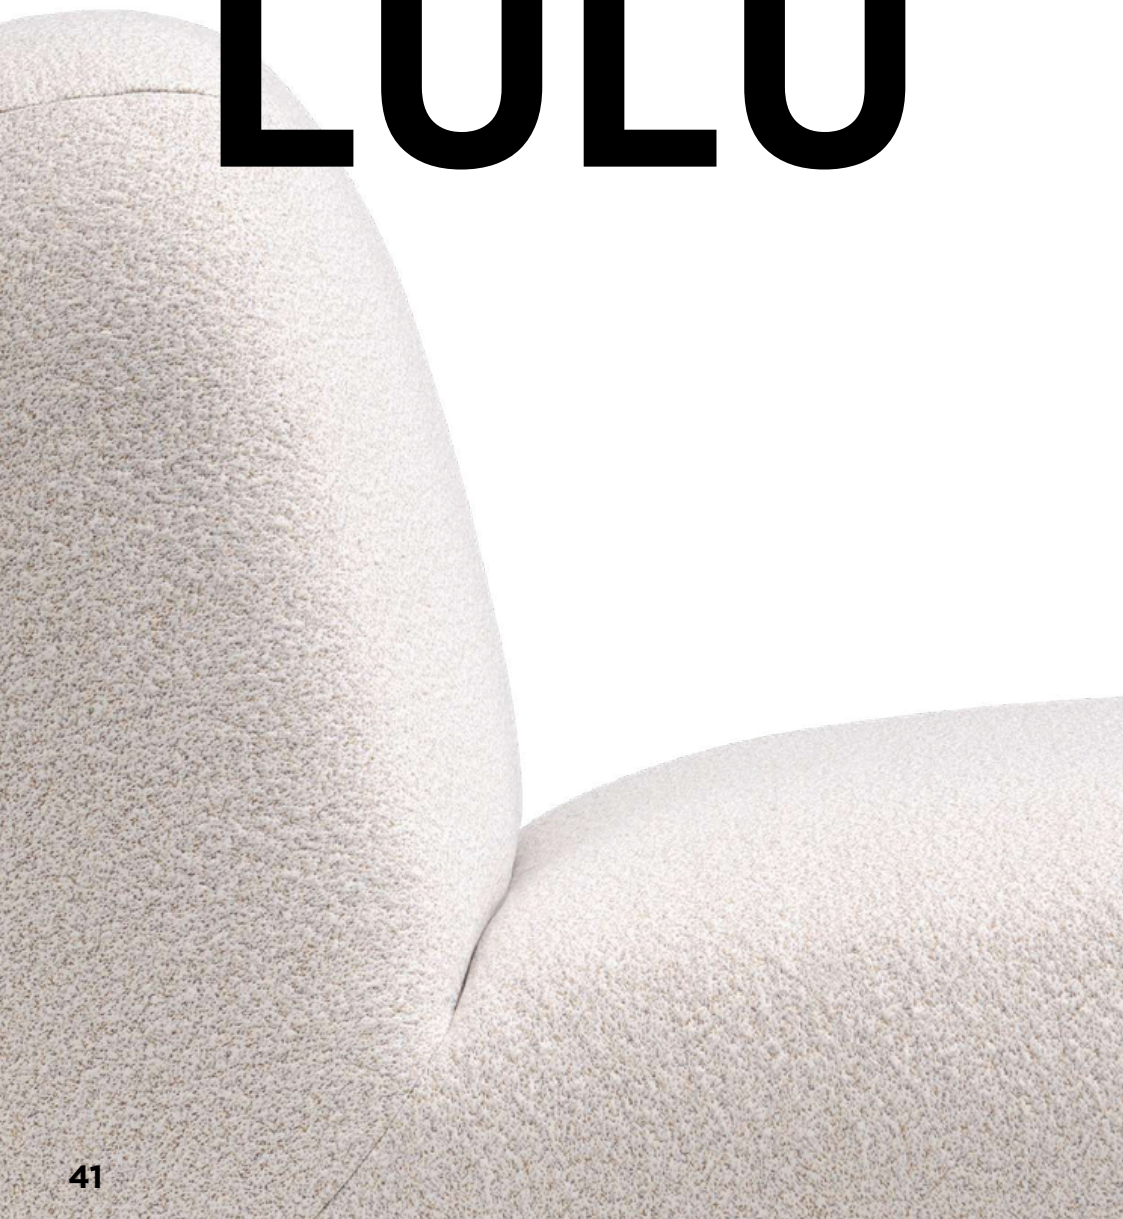

BOU

Bou is an explosion of fluid and enveloping contours. It stands out for its sculptural shape: a generous backrest that envelops the body and an almost imperceptible base.

LULU

Minimal yet expressive, its rounded and cozy silhouette evokes a resting cloud. Softness in its purest form. Perfect for spaces that invite stylish relaxation.

CUB

With a solid wood base and curved volumes, Cub blends straight lines with soft shapes. An elegant, balanced lounge chair, ideal for refined spaces with a strong aesthetic identity.

ELLY

With its gentle, sculptural character, it is an ode to elegant ergonomics. Its slender legs and rounded body add a touch of charm and sophistication to any space.

KEN

Ken embodies freedom and attitude in a contemporary key, combining comfort and personality without compromise. Its geometric shapes and translucent base allow for versatile configurations with strong visual impact.

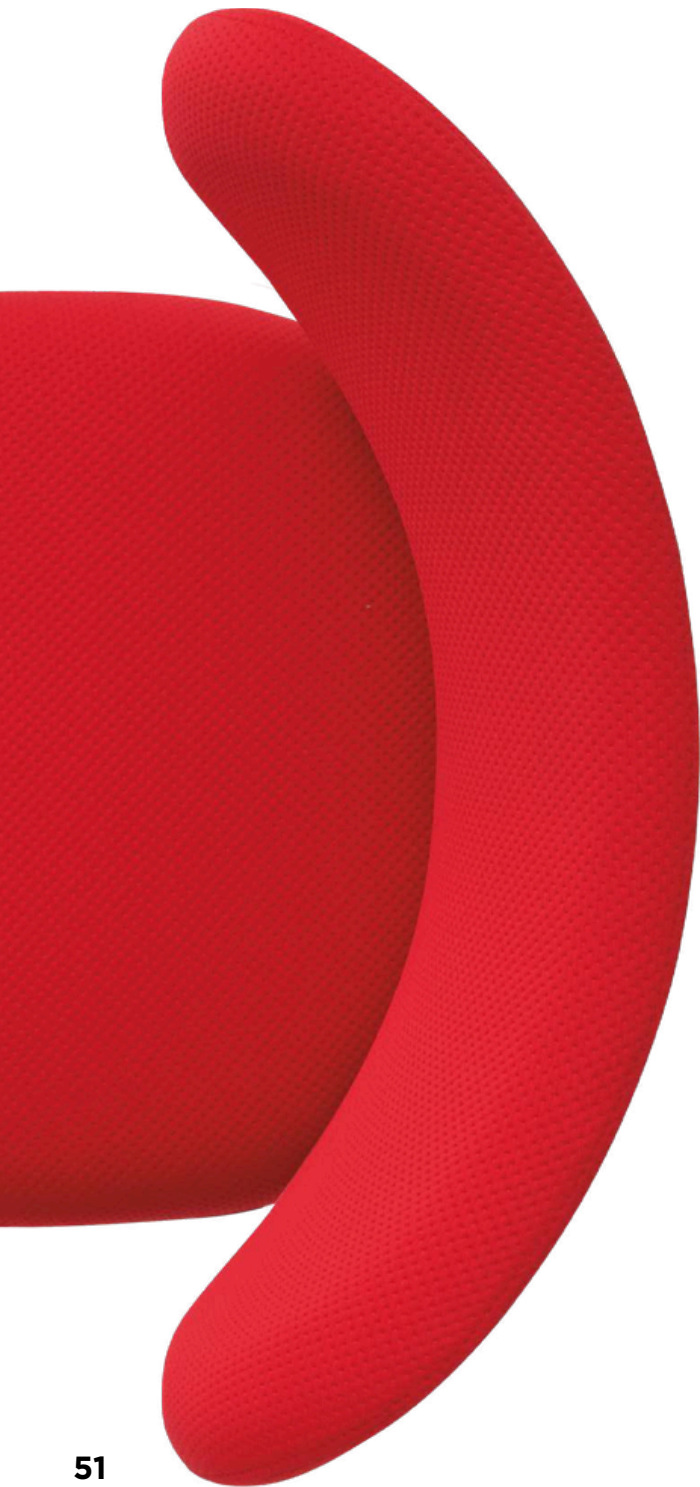

MOD

A lounge chair with contained, enveloping lines and a compact structure that conveys solidity and balance. Mod represents the beauty of essentials, embracing functionality without compromising on aesthetics.

NOA

Noa is a compact and expressive design that brings a vibrant touch to any space. Its soft shapes and dynamic curves convey a playful, fresh, and distinctly contemporary character.

RIAU

With natural inspiration and a strong textile presence, Riau stands out for its soft lines and generous cushioning. Designed to embrace the body, it offers rest with elegance, warmth, and comfort.

SUNN

With a warm and natural aesthetic, the Sunn lounge chair combines soft lines and balanced proportions. Featuring a curved backrest and wooden legs, it exudes Nordic elegance and ergonomic comfort.

NUEN S

Sculptural lounge chair with natural curves and striking presence. Its cylindrical backrest and generous volumes make it a sophisticated yet inviting piece, perfect as a focal point in contemporary spaces.

OTTOM

Featuring a light wooden frame and compact proportions, Ottom brings a modern twist to Nordic design. Its clean silhouette and generous seat blend nostalgia, attitude, and comfort.

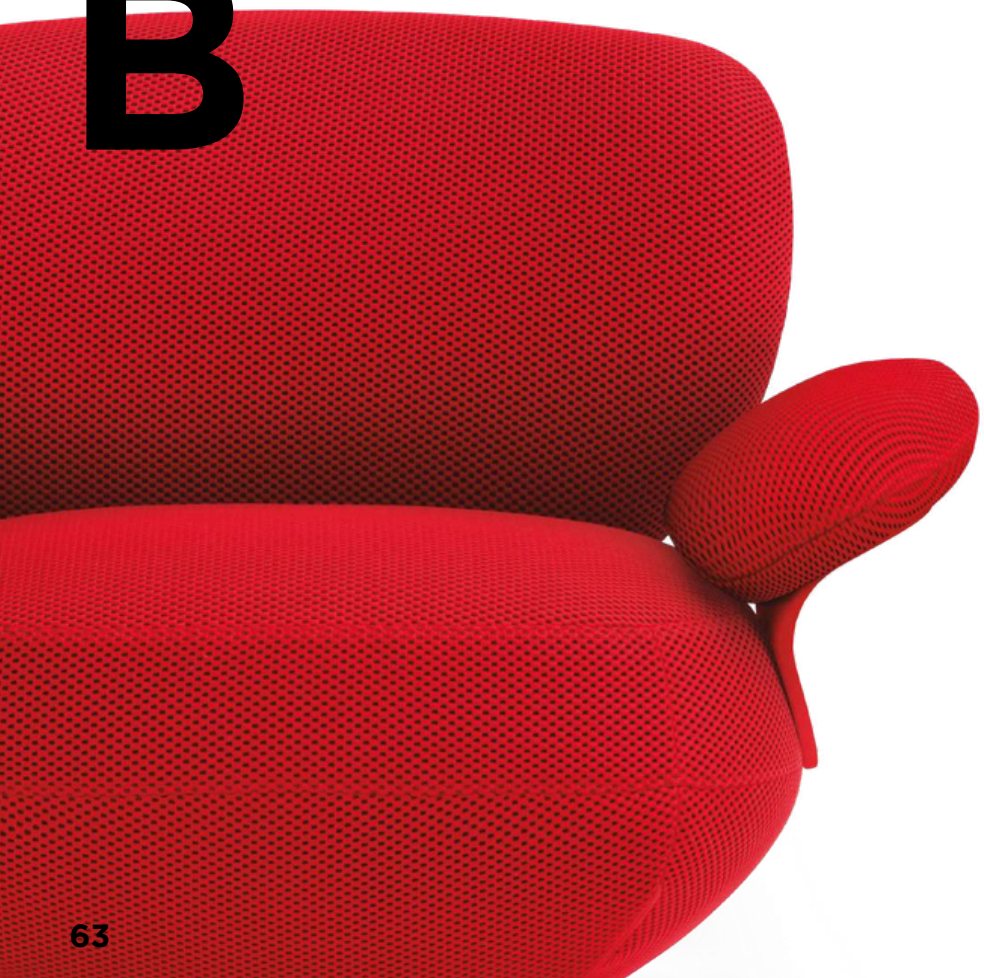

RABBIT

Bold shapes and iconic presence. With its compact, wraparound silhouette, this sculptural lounge chair radiates character and visual energy. Designed to stand out without asking for permission.

RABBIT B

Its distinctive armrests, designed as natural extensions of the backrest, offer a welcoming and gentle gesture. A vibrant piece that combines comfort and character with originality.

CELL

Collection of tables with rounded edges and irregular silhouettes, whose biomorphic design pays tribute to the cell as the basic unit of life. Playing with varying thicknesses, they bring functionality and personality.

ILLA

Pair of wooden tables with bold design and gently rounded edges. Their geometric shapes and contrasting proportions allow for multiple configurations, adding warmth, functionality, and a contemporary touch to the space.

STAM

A set of side tables with architectural inspiration. Their slender shapes evoke classical columns, reimagined through a contemporary lens. Versatile pieces that serve as surfaces, focal points, or sculptural accents.

BOREAS

With bold volumes and gently curved profiles, this nature-inspired set of tables combines height contrasts and finishes, bringing visual rhythm and balance to the space.

PICO

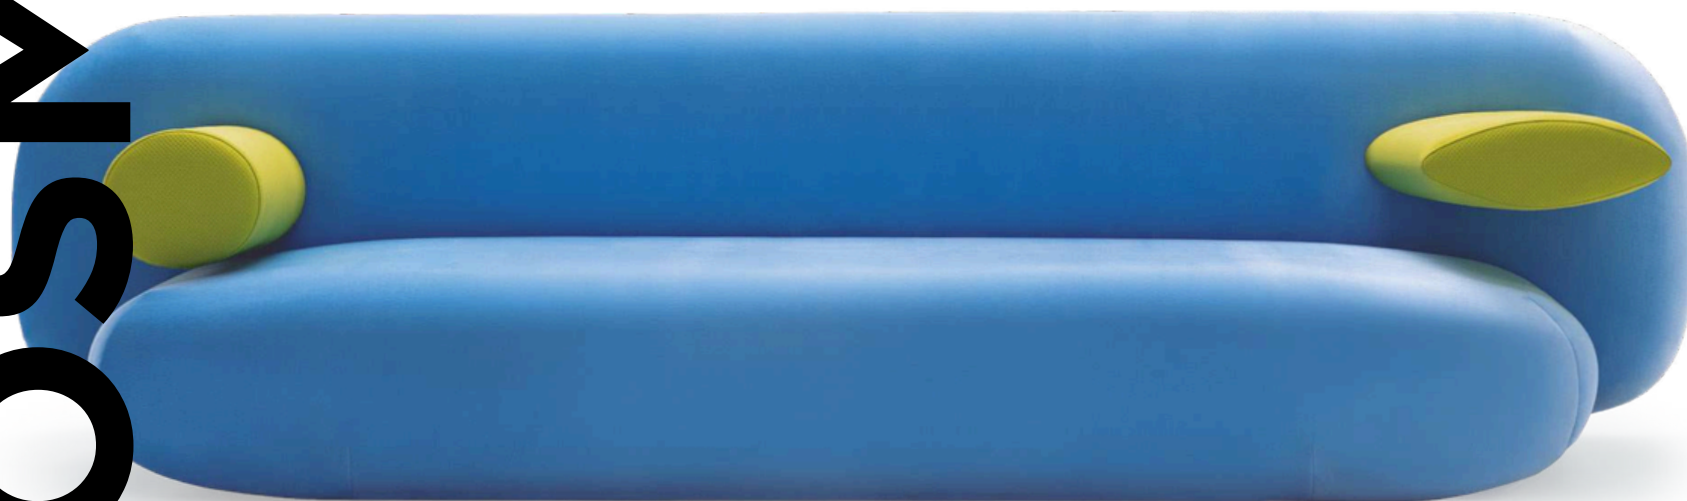

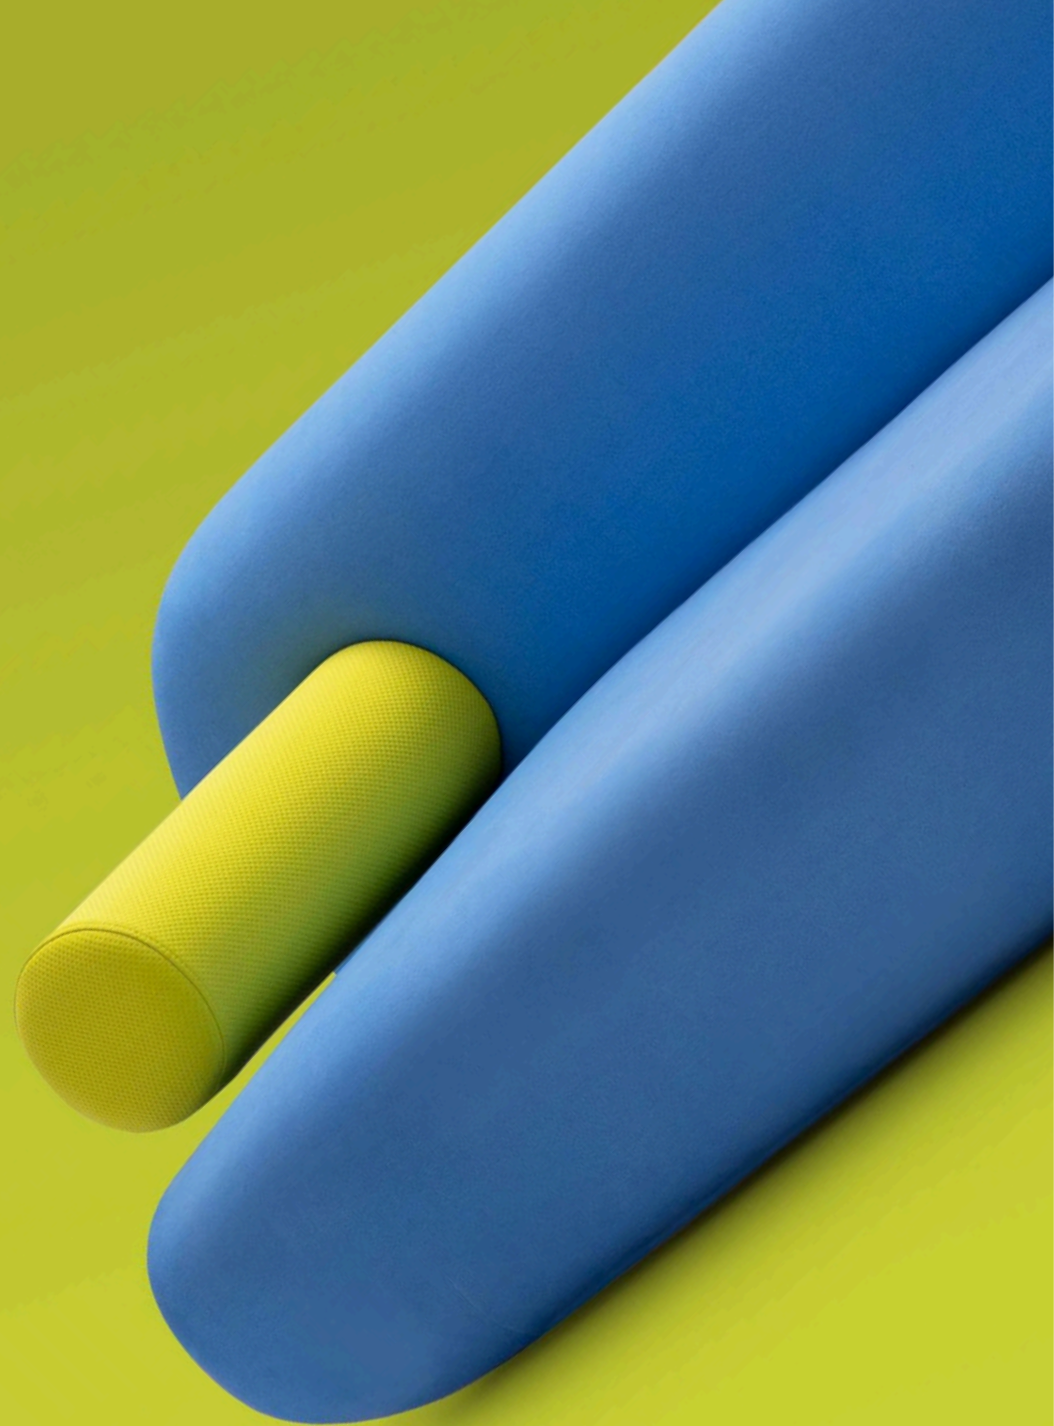

Side table with an inverted conical shape and strong sculptural character. Pico is pure design: bold, geometric, and playful—bringing style and personality to any contemporary space.

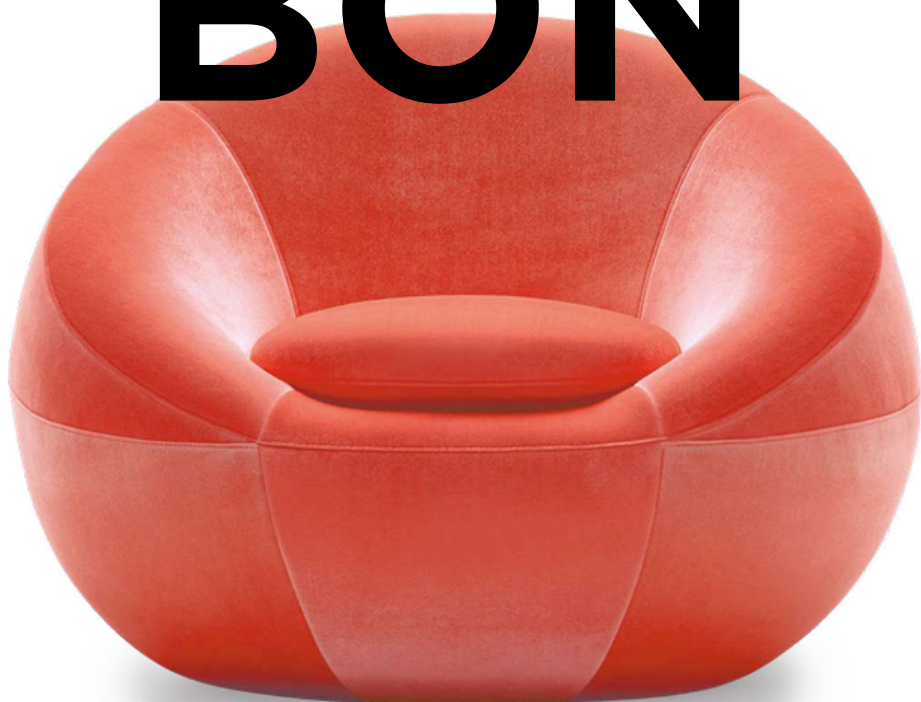

KOSMIC

Kosmic combines space-age inspiration with a tactile, organic aesthetic. Its design evokes soft capsules or vessels from a pop universe, enveloping the user in a sensory experience.

BON BON

Generous volume and sweet shapes. Bonbon embraces with its soft, rounded silhouette, evoking a plush candy. A sensual, cozy lounge chair that invites instant relaxation.

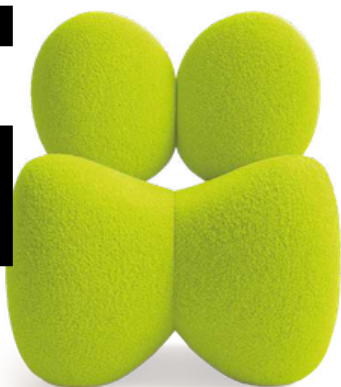

CIOTTOLINO

Playful, colorful, and full of pop spirit. Ciottolino features generous, padded forms reminiscent of smooth pebbles. A laid-back lounge chair that brings comfort, freshness, and a vibrant attitude.

PETALLI

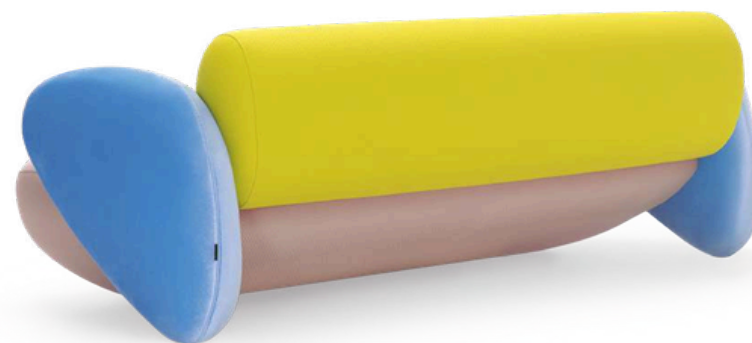

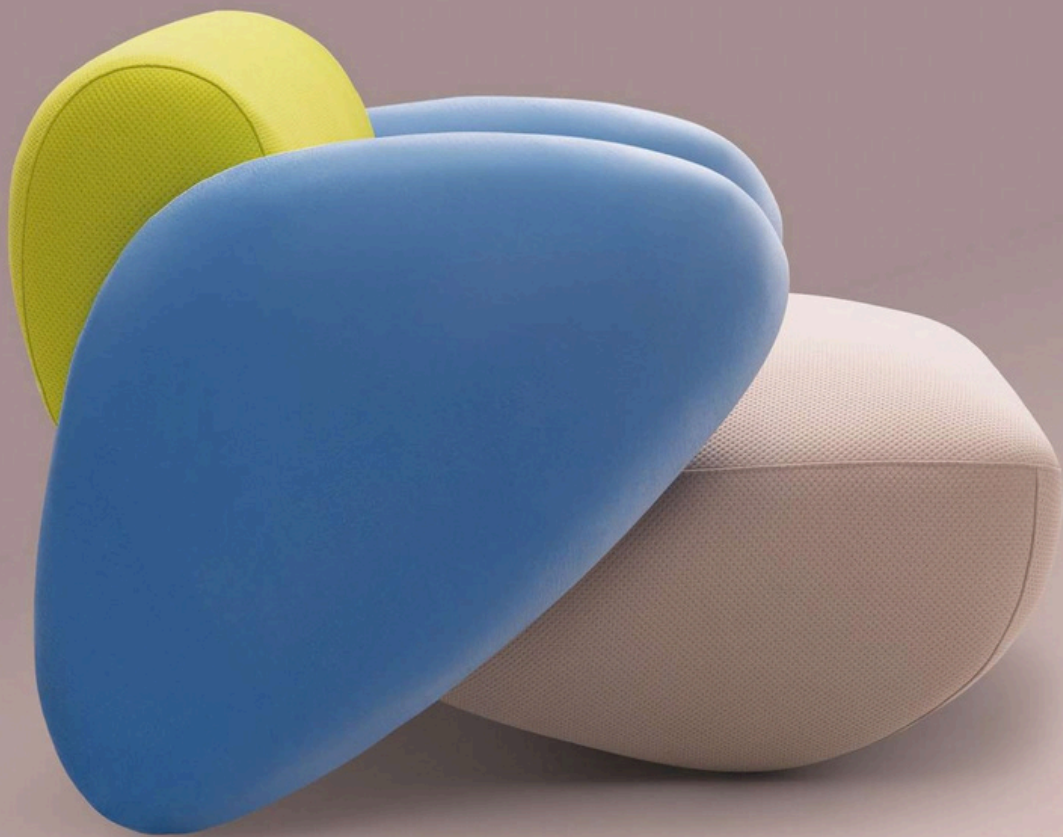

A sculptural lounge chair with soft shapes reminiscent of blooming petals. Its enveloping, organic silhouette delivers a unique visual and sensory experience, blending contemporary character with poetic elegance.

CLOT TOLO

A playful sofa with a wraparound design. Its rounded shapes and generous proportions evoke smooth pebbles. A pop-inspired piece that brings color, softness, and comfort to any space.

KIBO

Organic minimalism and embracing forms. Kibo wraps like an open shell: its curved backrest and generous seat provide a sense of refuge and warmth. A sculptural piece that invites stylish relaxation.

Fluid lines and a laid-back attitude. Its seamless, ergonomic silhouette invites a relaxed posture, while the cylindrical backrest provides support and sculptural character. Elan is not just design, it's pure energy.

ovo

Balance between sculpture and comfort, Ovo Lounge blends fluid curves with a light yet expressive presence. It stands out for its egg-shaped, enveloping silhouette, offering a sense of shelter and softness.

KISS

Sensual and inviting, Kiss plays with the shape of lips to create an iconic sofa. Soft curves, generous seating, and a silhouette that brings comfort with a touch of whimsy.

VERT EBRA

With a segmented backrest and enveloping lines, Vertebra merges ergonomics and style in a single gesture. An elegant, soft sofa designed for spaces seeking comfort with personality.
