

**GOOD THINGS**

**COME TOGETHER**

# FURNITURE FUSION

EST.2001

## INITIAL CHALLENGES

.....

Started with **hot-desking** in Milton Keynes during a time when **projects were on hold**.

## KEY MILESTONE

.....

Met **Radisson Edwardian** at Hotelympia 2002; secured a **1,100-chair order** for the Grafton Hotel in London, marking the **beginning of our journey** with major hotel groups like **Hilton, Marriot, IHG and Clermont Hotels**

## CURRENT OPERATIONS

.....

Based in Watford, operating with a team of 12, including **sales, support, purchasing, project management, and marketing professionals**.

## PHILOSOPHY:

.....

**Committed to impacting projects** by being **integral** to the **creative team**, understanding the language of designers, and **ensuring furniture complements** the broader operation of hotels and restaurants.

*HOTELYMPIA, FEBRUARY 2002 - EARLS COURT.*

# FURNITURE FUSION EXECUTES YOUR VISION:

WE LISTEN

WE INTERPRET

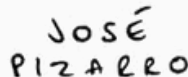

WE DELIVER

HIPPODROME CASINO

# SELECTED CLIENTS

# WORKPALCE

We collaborate with designers wanting to fill any commercial space. With **20 years' experience** we **never fail** to surpass expectations

# HEALTHCARE

We can **adapt** to any environment or **special requirement** to **match specifications** for certain environments including **hospitals and care facilities**.

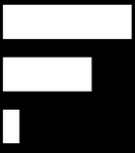

# HOSPITALITY

We have produced **custom furniture** for major hotel groups like **Marriot, Hampton and The Clermont** alongside countless bars, cafes and restaurants.

# EDUCATION

At Furniture Fusion we are firm believers that **an environment should nurture creativity**. We always do our best to inspire with our products.

# COMMITMENT TO OUR CLIENTS

## QUICK QUOTES

.....

Quotes typically provided within **24–48 hours**.

## DETAIL

.....

Quotations include visuals, specifications, delivery, and installation details.

## MANAGEMENT

.....

We Assign a **dedicated project manager** for each project to ensure **timely delivery** and coordination.

## GUARANTEE

.....

Provide an **operations manual** upon delivery, including **care guides, warranties, and relevant certifications**.

# BESPOKE

## COLLABORATION

- Engage closely with clients and designers to **understand their vision**.
- Develop **initial concept drawings** or renderings to facilitate discussions and refine ideas.

## DETAIL AND CRAFTSMANSHIP:

- Combine **meticulous craftsmanship** with **cutting-edge technology**.
- Deliver **unique** furniture pieces that perfectly suit your space.

## TECHNICAL EXPERTISE:

- Produce **detailed technical drawings** using advanced CAD software.
- Ensure **precision and clarity** for manufacturing partners to accurately bring designs to life.

## END-TO-END SERVICE:

- Manage the **entire process** from initial brief to final installation.
- Ensure **seamless communication** and execution at every stage.

# BESPOKE IS OUR *f*ORTE

# SUSTAINABILITY

## RECYLCED FABRIC

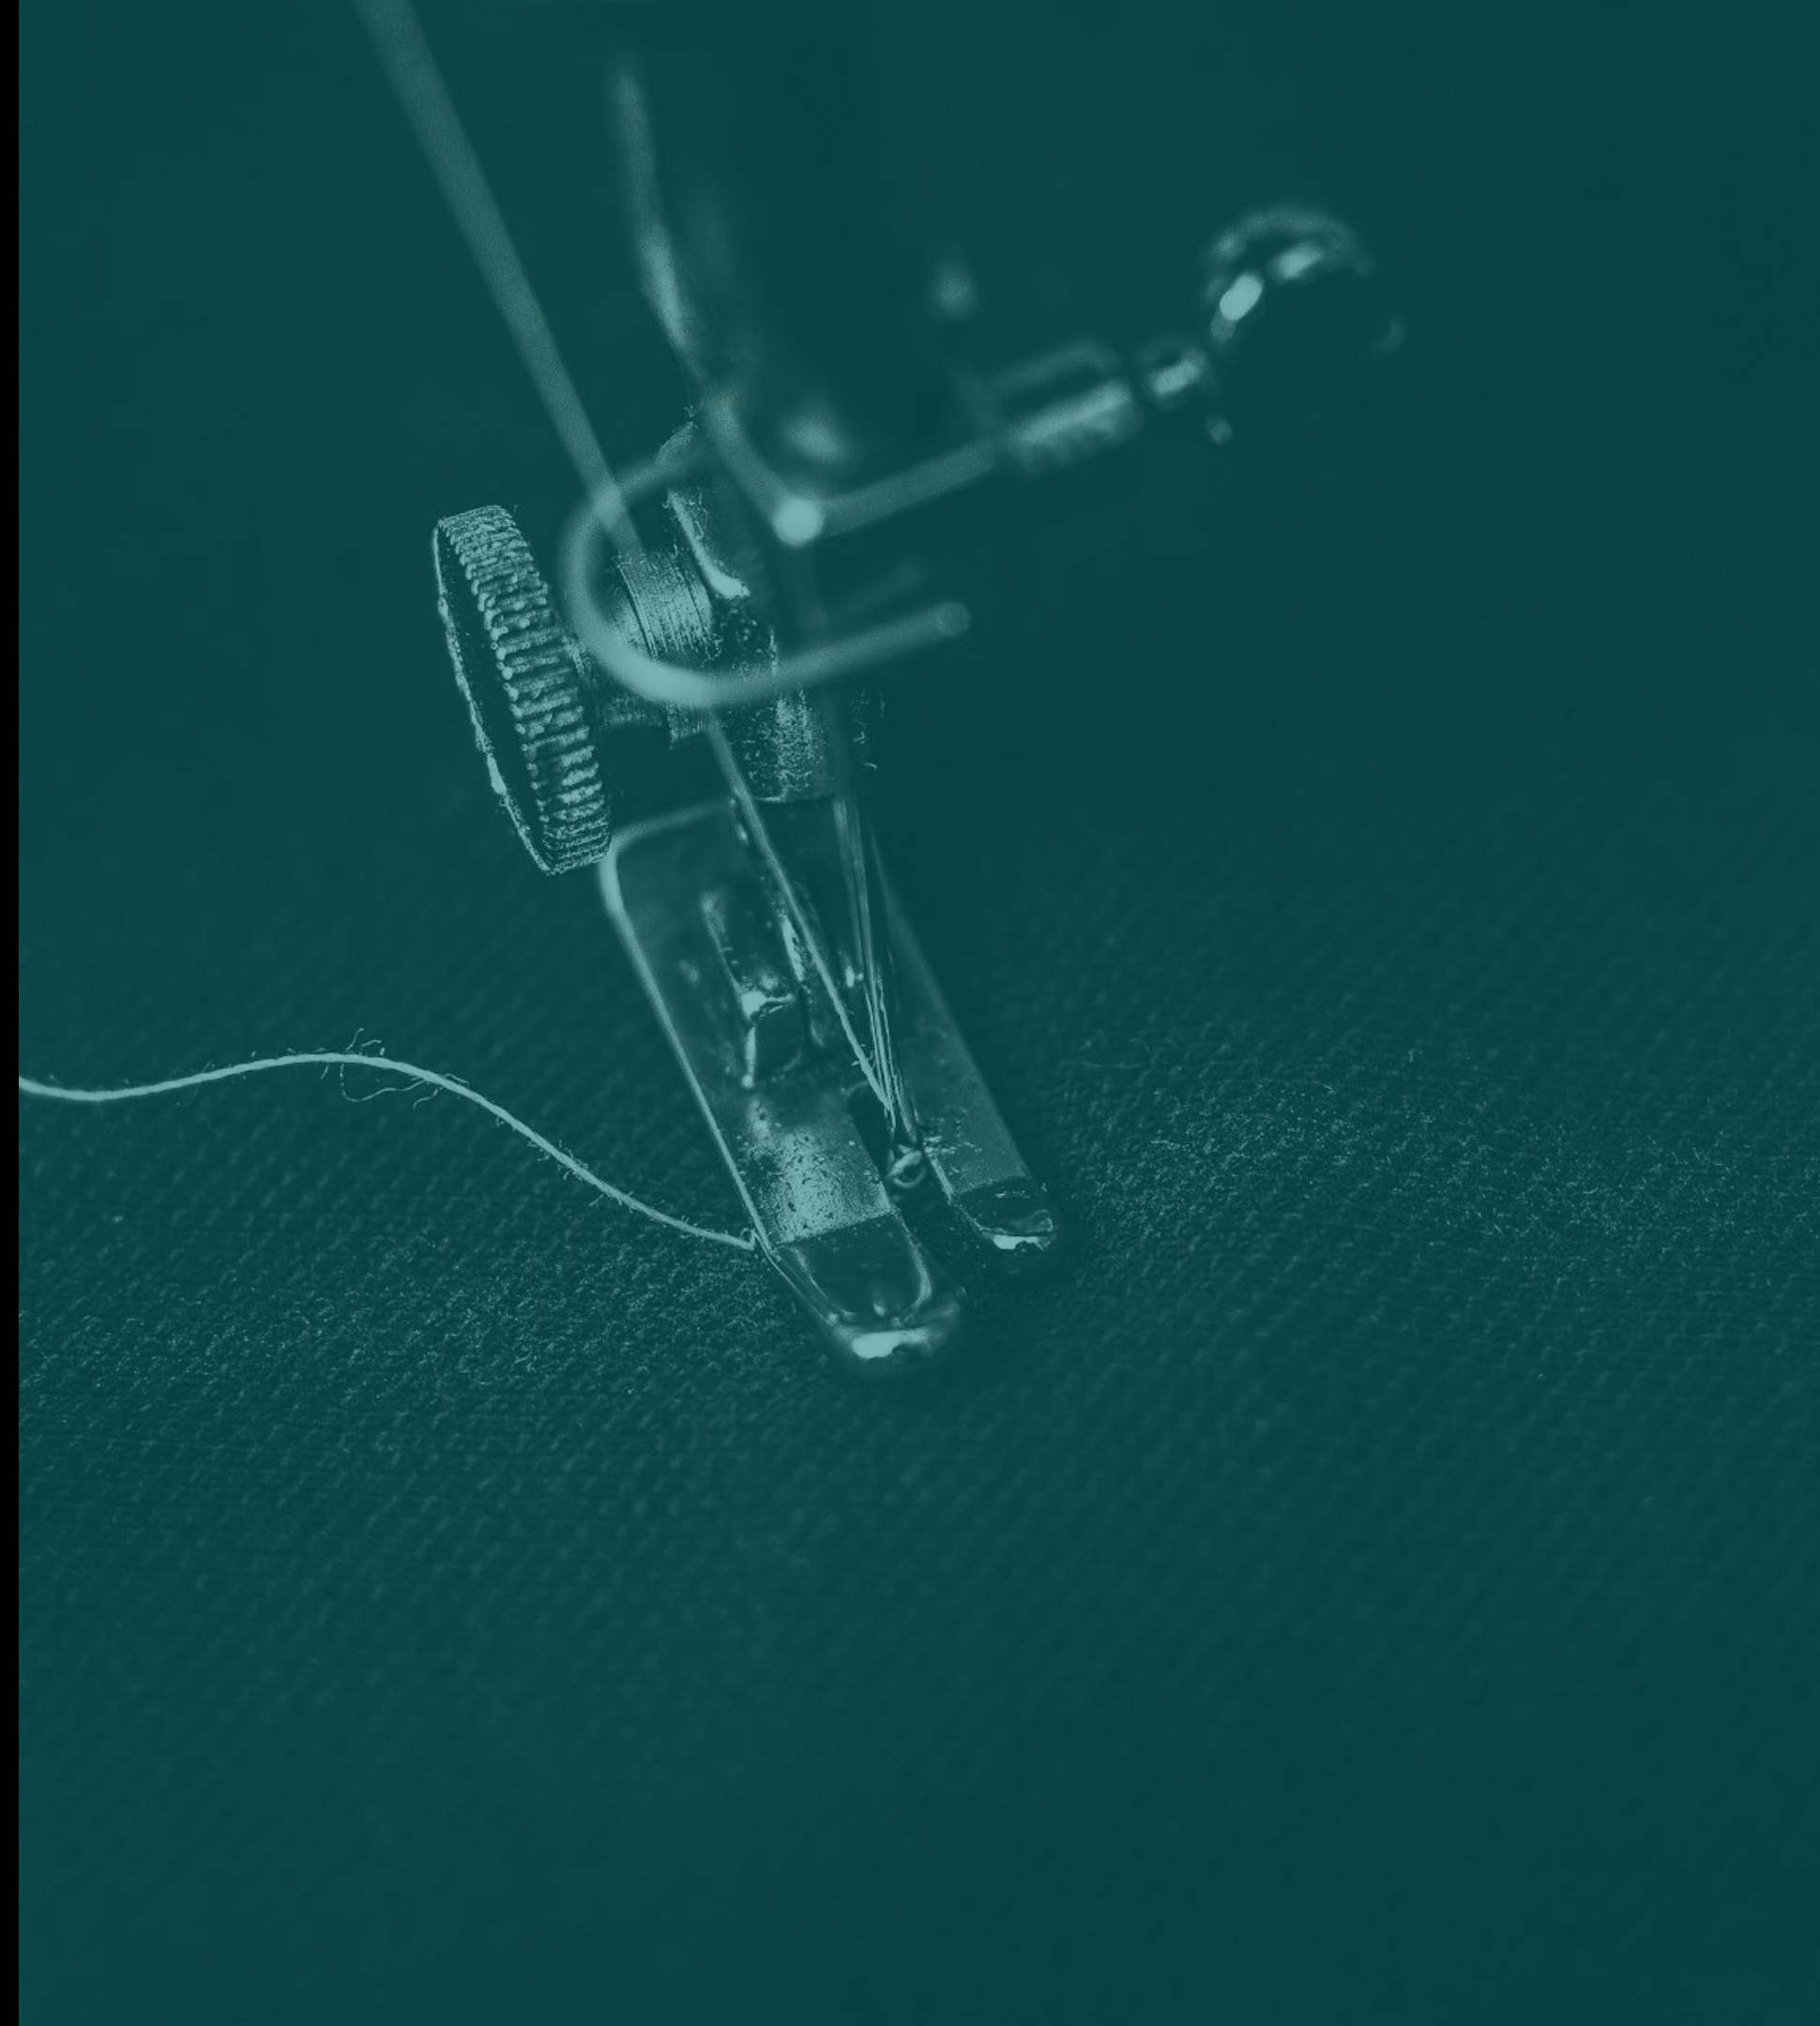

.....

Whilst not every product we offer can be altered to be **100% recycled** we strive to look at making your project a **sustainable** one. For example, All **timber used by us** is **FSC certified**

## CARBON FOOTPRINT

.....

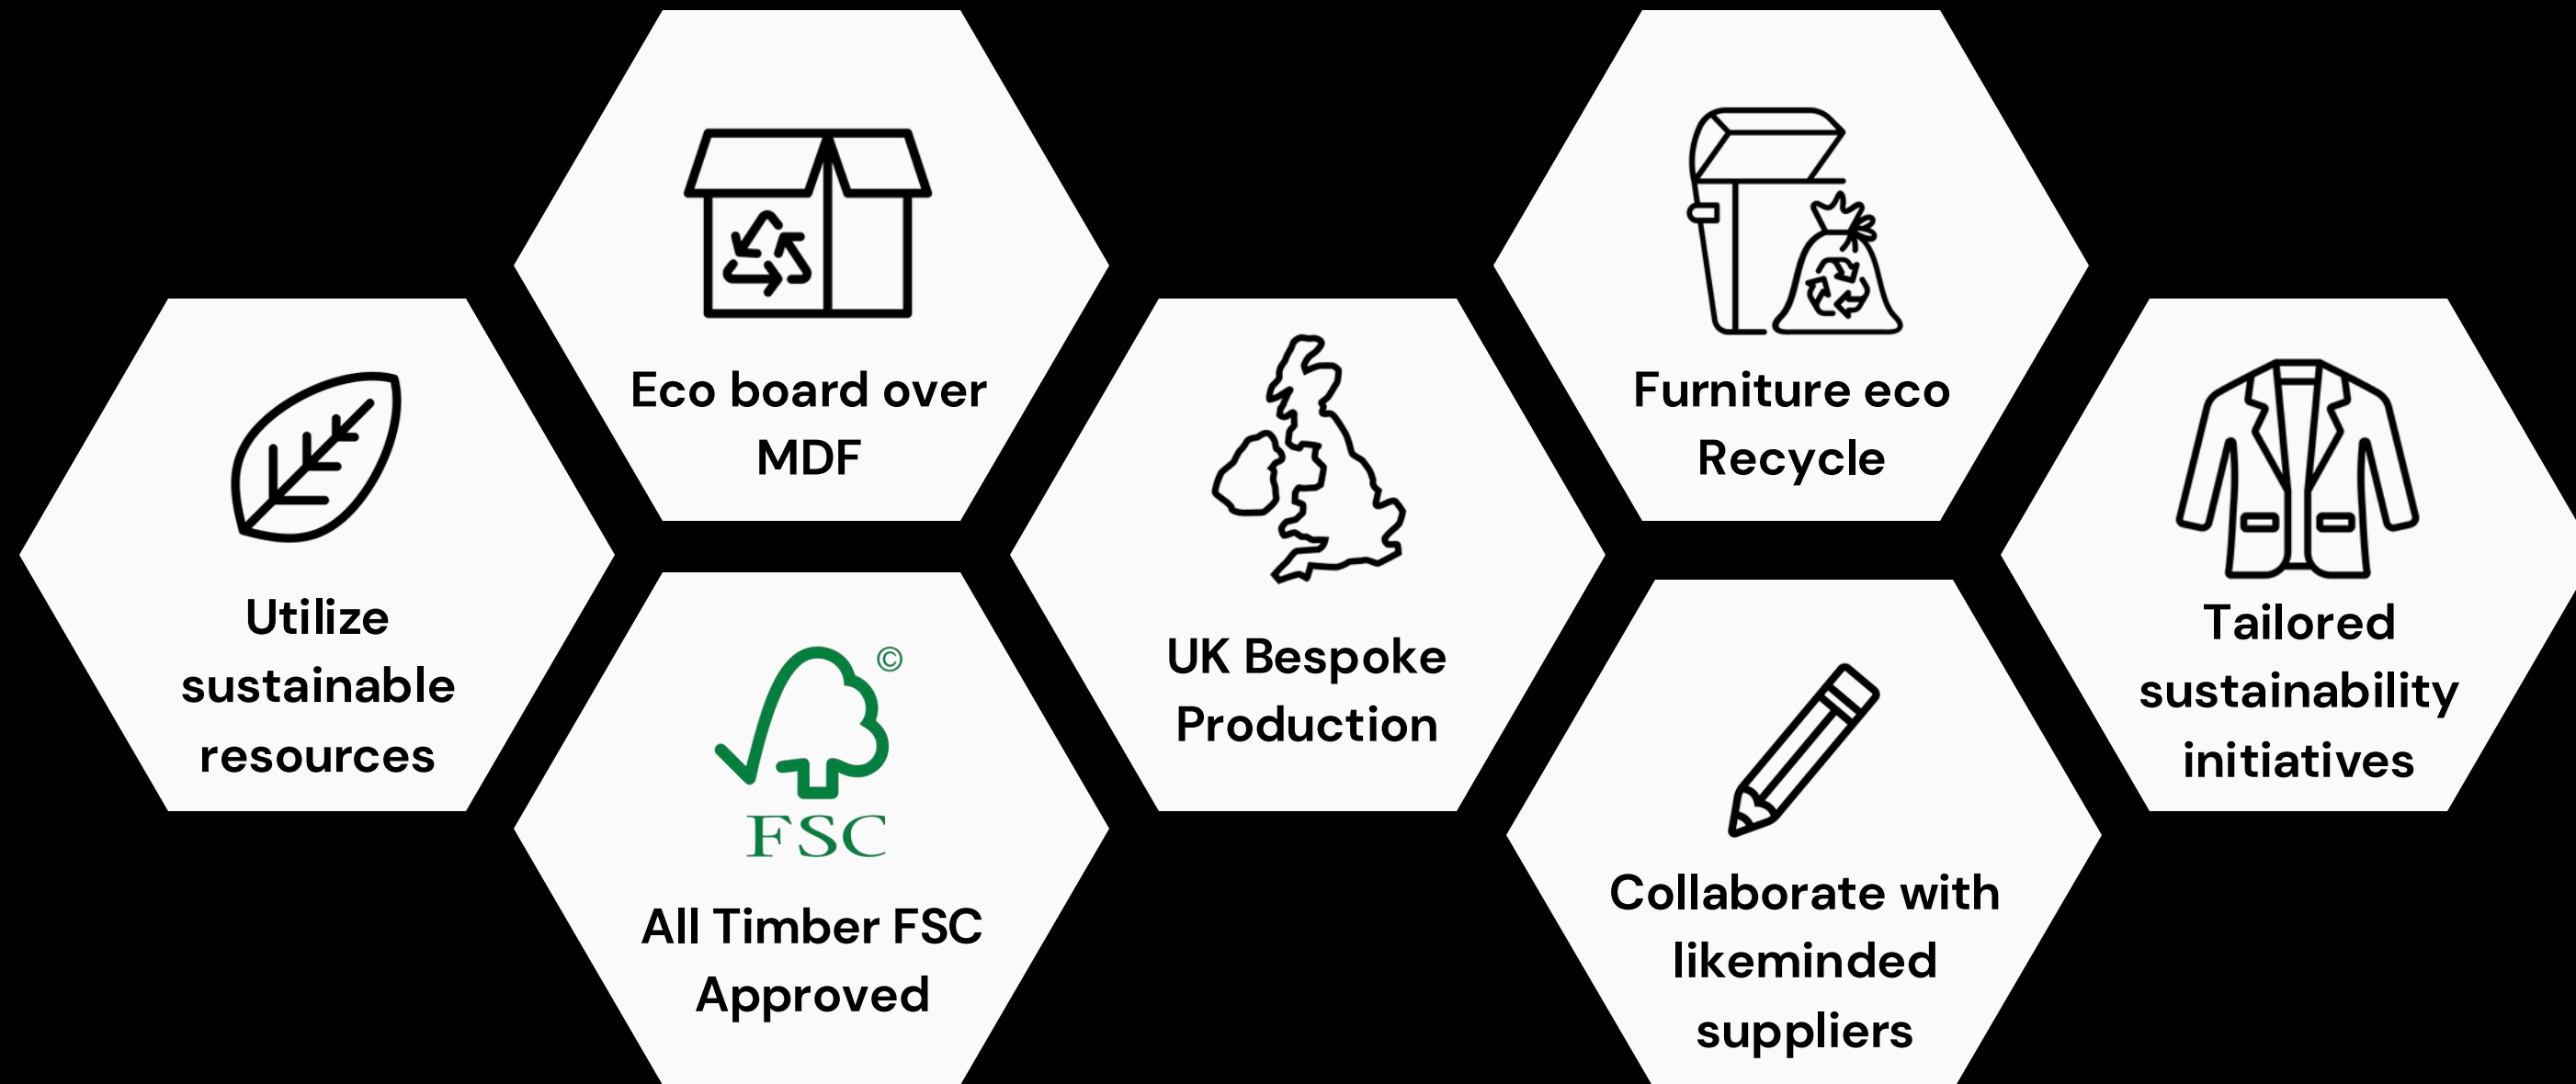

We can help ensure your project keeps a **low carbon footprint** by using UK manufacturers, **reducing transport emissions.**

Pitch perfect - new furniture for an iconic Scottish football stadium.

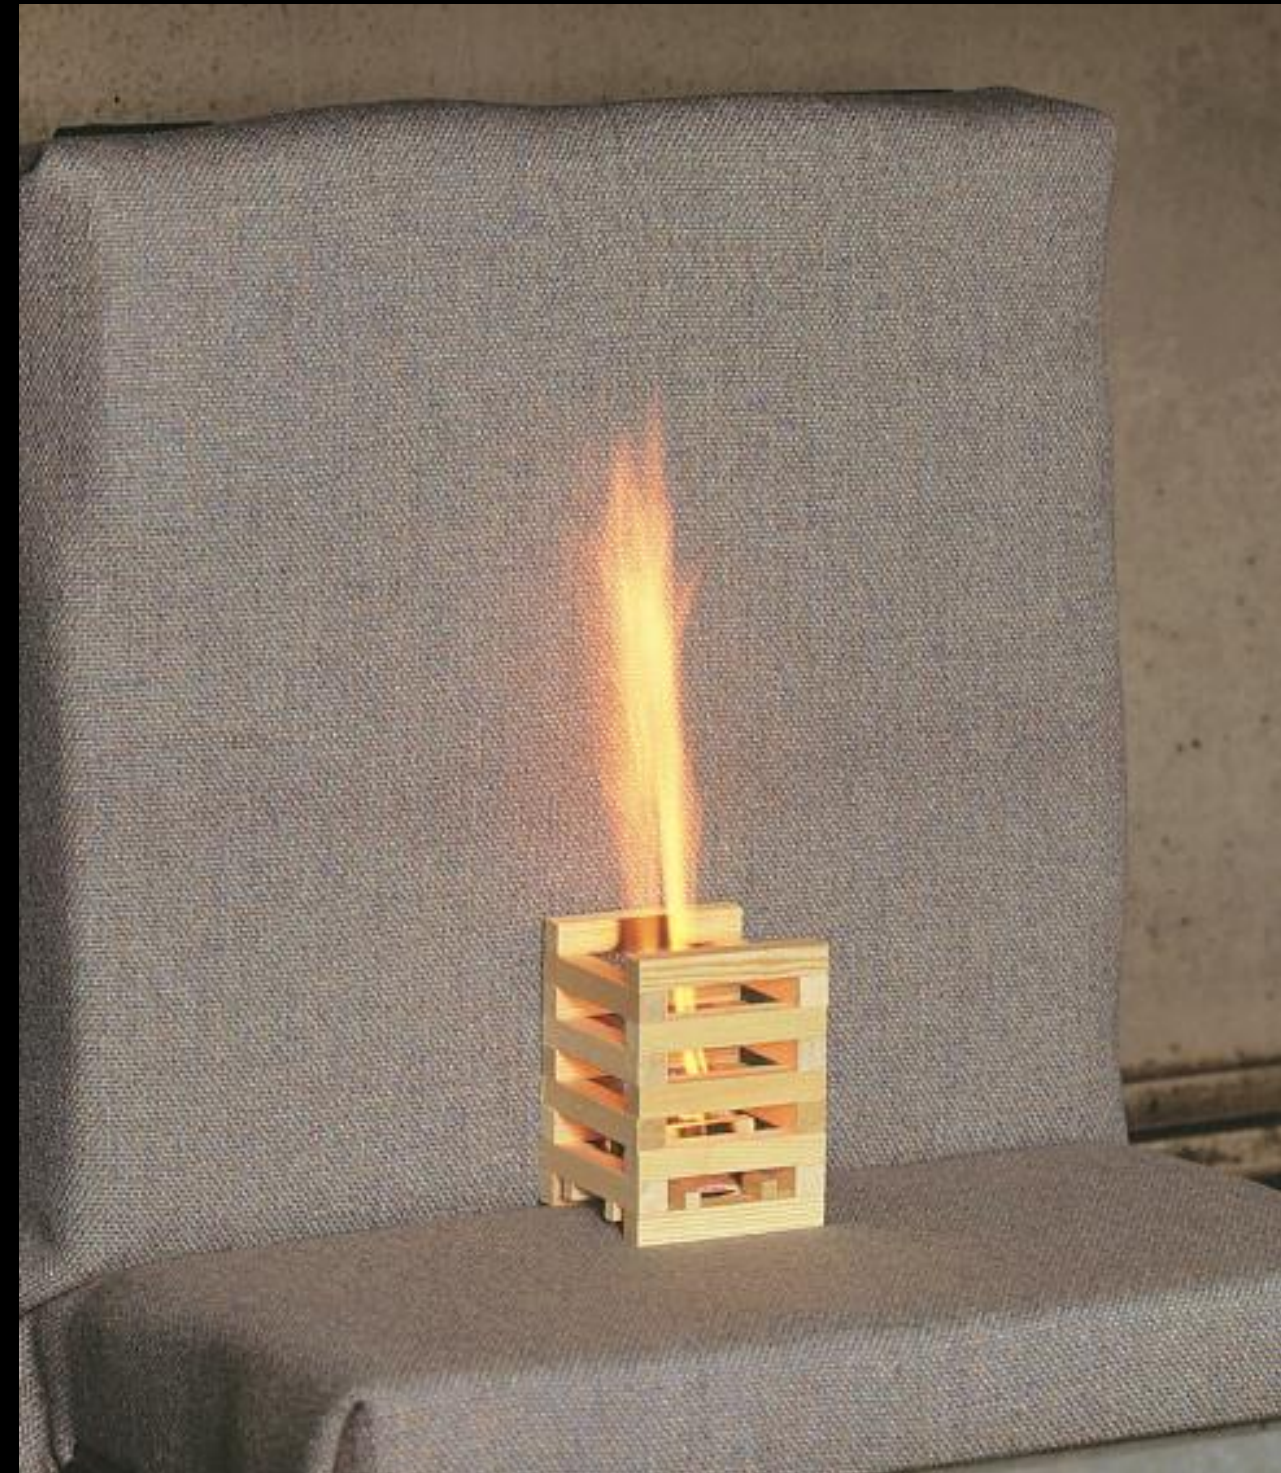

# WHAT IS BS5852?

## UK STANDARD

- Hospitality (hotels, bars, and restaurants)
- Healthcare facilities
- Office environments
- Public spaces

## CRIB 5

- Ensures the safety of the public in environments where fire risks are higher.
- Provides a **benchmark for fire-resistant materials**, reducing the risk of furniture being a significant fire hazard.
- Crib 5 compliance is often **legally required** to meet local fire safety regulations in the **UK**.

CRIB 5 TEST

# WHY FURNITURE FUSION?

# OUR QUESTIONS TO YOU

- What projects are you currently working on?
- Do you have a preferred or go to furniture supplier? If Yes, then why them?
- What trends are you noticing right now?
- What projects are you most proud of?
- What is the ratio of bespoke to standard furniture you use?
- How do you approach sustainability in your designs?
- What has been the most challenging project you've worked on, and why?
- What resources do you rely on to stay up-to-date with design trends and innovations?
- Do you draw inspiration from other design fields, like fashion or architecture?
- What qualities do you prioritize in suppliers?
- Do you involve suppliers in the early stages of design for bespoke furniture? If so, how?
