

Angel / 1-seater sofa Design / Angeletti-Ruzza

Angel, designed by Angeletti & Ruzza, is a complete collection of dining and lounge chairs with matching cushions, as well as coffee tables and tables in various shapes and sizes that can accommodate up to 8 people. Featuring a soft design with curvy graphics, comfort and an aluminium structure, Angel is the perfect collection for creating convivial atmospheres even at seashores.

Materials

Aluminium

Aluminium alloys, particularly suitable for cold-working and for die-casting, appropriately treated to withstand the elements and powder coated.

Maintenance: To keep the product in good condition for a long time, we recommend cleaning it regularly; more often in very damp locations with a marine climate. It is recommended to clean the surfaces using a soft cloth with water or mild detergents. Prolonged and continuous exposure to intense UV radiation or very low temperatures can affect the initial characteristics of the coloured coating, which is made from polyester. We recommend cleaning and storing the products in sheltered places during prolonged periods of non-use and during the winter.
